

# Christian Aid Safe Place Challenge

**When:** Sunday 10 September 2017

**Where:** Whitelee Windfarm, Eaglesham, G76 0QQ

Today, tens of millions of people across the globe are fleeing their homes because of war, conflict and disaster.

In some places the fighting is so bad, and the situation so dangerous, that people decide they have no choice but to try to take risky journeys to places of safety. The journeys facing refugees are often incredibly tough – and the choices they have to make along the way might be even tougher.

The Safe Place Challenge is a new outdoor adventure to help young Christian Aid supporters understand how to survive without home comforts. You and your youth group will work together to complete basic survival skill challenges including building a shelter, making a fire and finding clean water.

Free to enter with a £100 sponsorship target per group.
